**AREA'S MEXICAN**

COORDINATOR: *While AREA has many relationships in Mexico, it has found that coordinating through Jay West, a highly respected member of AMPI, the Mexican equivalent to the NAR, things work a lot smoother. Members with referrals to Mexico are strongly urged to use Jay as their go-between. When he is directly involved, he acts as any standard agent. In his capacity as coordinator, he directs and orchestrates. Members referring in this matter receive their standard referral fee.*
